

BOQUERIA

Dear Guest!

You have received Boquerias menu suggestions since you have a reservation for 10 guests or more.

Please choose one menu which will be served to the entire party.

All menus are composed so that you start your dinner with a snack in the form of our olives and exclusive almonds.

As a starter you will be served different tapas both family style and individual ones. The main course comes in the form of one of our Raciones, served to be shared at the table.

And finally everyone gets an individual dessert.

Menu II, the most generous menu, includes a serving of different cheeses between the main course and dessert.

Why not start the evening with Sangria or Cava while enjoying your snacks.
